THE OFFICIAL JOURNAL
OF TATTERSALL'S CLUB
SYDNEY

CHAIRMAN'S MESSAGE

As this is the last edition of the magazine for 1983, on behalf of the committee I take this opportunity to wish all members and their families a very happy Christmas and a happy and healthy 1984.

Following the previous announcement concerning the Sportsman of the Year Award instigated in 1983, published in this magazine are details of the award and the criteria for selecting the winner. Entry forms for your Club's nomination can be obtained from the office and are to be returned by the secretaries from the various clubs by January 31, 1984, to our secretary, Mr Norman Smith.

May I take this opportunity to thank Mr Anthony Berkman who has acted as secretary of the Sports Co-ordination Group, for the marvellous job he has done in arranging the meetings, writing up the minutes and in contacting regularly the people involved in the group. We sincerely appreciate Anthony's effort on behalf of the Club and I am sure the award will be a great success. I would also like to have this opportunity to thank Mr Allen Walker for his generosity in donating the funds necessary to purchase the first annual "useable" trophy which will be presented to the winner to keep. Early in the new year a function will be arranged for presentation.

Owing to urgent retiling of showers, installation of new plumbing on the third floor, and of course, the installation of new filters, the pool area will be closed for a period early in the new year and notice will be given before we are ready to do this.

The committee of the Club has successfully negotiated a settlement with the Council of the City of Sydney over the Ordinance 70 Notice. The agreement was approved in the Land and Environment Court and briefly means that the Club has been given a reprieve of

five years in connection with the major parts of the work, being particularly the installation of two new fire escapes and a new hydrant system. However, we have agreed to carry out the lesser works over a period which we should be able to finance from the Club's own funds.

Club member Harold Cruickshank recently returned from a 16-day visit to Singapore, where he was able to stay with his wife at the Tanglin Club. He wrote a letter to me in high praise of the first class facilities this reciprocal club offers, and states that "we are indeed fortunate to have as a reciprocal organisation, the Tanglin Club in Singapore and members visiting that city should avail themselves, if not of an opportunity to stay in-house, then to visit for a meal or drink". So do not forget, when you are travelling overseas, visit some of our fine reciprocal clubs.

Finally I would like to thank those many members who responded to my request for them to identify people in the thousands of photographs which we have of Club members and their guests over a great number of years. This has certainly made the job of editing the Club's history so much easier.

Once again the overall members' useage has dropped and is down 6.9% when compared to the same period last year.

The committee is currently investigating suggestions that we start a Backgammon Club and a Businessman's Group within the Club in 1984, and you will hear more of this in the future.

The Club's Christmas/New Year functions are advertised elsewhere in this issue — please support as many as possible — you are guaranteed to enjoy yourself.

All the very best for 1984.

Tattersall's Club Sportsman of the Year Award

As previously announced by our Club Chairman, Mr Keith Moremon, the Tattersall's Club Committee have decided to introduce a Sportsman of the Year Award. The aim of this article is to clarify for all our members:-

- | | |
|-------------------------------------------|----------------------------------------------|
| A. The objects of the award. | C. Qualifications of nominees for the award. |
| B. The criteria for selecting the winner. | D. Administration of the award. |

OBJECTS: The award is established as an annual event on a calendar year basis in order to give our Club the opportunity to formally recognise the achievement of excellence of sportsmen participating within the sporting clubs of Tattersall's Club.

CRITERIA FOR NOMINATION: 1. Regularity of participation in sporting club activities. 2. Degree of success. 3. Sportsmanship demonstrated. 4. Enthusiasm and general contribution to the sporting club. 5. General standing and reputation in relation to overall Club membership. 6. Nomination form in hands of Tattersall's Club Secretary by January 31 each year. Five of these criteria are to be judged by the various sub-club committees, on a points out of ten basis, with any appropriate comments included on the nomination form. There will also be a space provided on the nomination form for the nominating club to include additional information or reasons why they have made the nomination.

QUALIFICATIONS FOR NOMINEES OF THE SPORTSMAN OF THE YEAR AWARD:

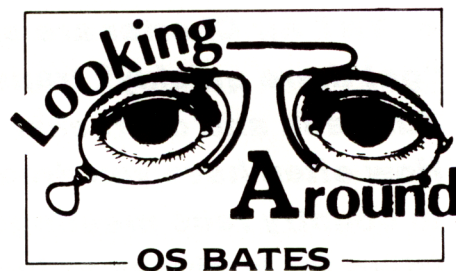

(a) The nominee must be an Ordinary or Life Member of Tattersall's Club as provided for in Rule 3 (and Rule 3a) but excluding Honorary Members (3 (c)) and Temporary Members (3 (d)). These rules state: "3. The Club shall consist of the following classes of members (who shall be persons of the male sex) (a) Ordinary Members, (b) Life Members, (c) Honorary Members, (d) Temporary Members. 3a. Ordinary Members of the Club shall include the following further classes:- (a) Absentee Members, (b) Bookmaking Members, (c) Senior Members, (d) Country, Interstate and Overseas Members." (b) The nominee must be a financial member or honorary member of his subsidiary club. (c) No winner of the award shall be eligible the following two years nor shall the same person win the award more than three times.

ADJUDICATION OF THE AWARD: An organising committee consisting of representatives from each club and under the chairmanship of our Club Chairman has been established and is known as the Tattersall's Sports Co-ordination Group. This organising group will call for nominations from each club within Tattersall's Club at an appropriate time each year. On receipt of a nomination from each sporting committee the detailed nomination forms will be passed on to the Chairman for presentation to the full Committee of the Club who will adjudicate on the winner. The announcement of the winner will be made at the Chairman's discretion and the award will be presented at an appropriate function designated for that purpose. The award winner's name is to be entered on an honour board which will be permanently displayed in the Club premises. An annual "useable" trophy is also to be presented to the winner. Anthony Berkman is Secretary, Tattersall's Sports Co-ordination Group, phone 211 4933.

Winners Can Smile . . .

GREAT RECOVERY AT RANDWICK

God makes the grass to grow — not the AJC!

This is my belief. The big wet and the non grass-growing conditions delayed the re-opening of the great Randwick course by many weeks.

I was there on Melbourne Cup day at the re-opening — it was an unqualified success.

Pens of the press were poised to record any chinks in the armour — they were disappointed! I'm told at least one jockey was badgered (after an early race).

"What's it like out there?" quizzed the pressman. "Just great — back to its best!" said the jockey and smiled as he strode with saddle cradled over his arm to the scales to weigh out.

Take it from me weight's right at the Randwick track.

MONEY IN THE MOVIES

I saw "Return of the Jedi", a brilliant new galaxy film, at a preview before it was released to Sydney movie-houses.

It is brilliant and introduces some happy, bear-like and lovable characters called EWOKS. Overseas, "Jedi" has produced mind-boggling box-office figures, notching \$140 million in the first 36 days in America, not bad for starters. \$2,100,000 in four days in Tokyo — it's the same the world over.

It is re-writing the record books. Meanwhile back at the Hoyts Theatre "ranch" sits Terry Jackman, Tattersall's member and Hoyts' managing director smiling in anticipation of a record Christmas patronage at the Hoyts Centre.

James Bond (007) and his beauties will be a great back-up in "Octopussy".

A great array of good movies for all at Christmas.

DON'T LET THIS HAPPEN TO YOU!

A young thing looked at the balding, original Bond star (recently in Sydney to plug his movie) and said "IS THAT 'SHORN' CONNERY?"

I DON'T LIKE TO SEE A TREE'S FEELINGS HURT!

Riding in their cherry-picker lifts, council tree-logging gangs roam the suburbs armed with chainsaws leaving many mangled trees in their wake. Why can't they take as an example the trimming of trees in Rosemount Avenue, Woollahra.

The trees have been trimmed to allow power lines to pass through the branches without butchering the foliage. Down Brookvale way I saw the result in reverse — violent lopping — the trees finishing up like limbless soldiers and a sorry sight to behold.

I am not a "greenie", but council tree-trimmers please spare the trees!

● **TNT Air Charter are specialists in the "get there quickly" transportation industry in Australia and overseas.**

How often have you dreaded the long drive to country race meetings or picnics?

Often for business or just for fun you find time works against you.

The solution more and more people are turning to is charter aircraft. They are finding out Charter is no longer trail-blazing bush pilots. Though the spirit of those early fliers still exists, precision and technical skills are now the focal points, not to mention a marked improvement in creature comforts.

Chartering an airplane has always seemed a bit complicated and expensive. How does one decide who to call or what kind of airplane is necessary. A newcomer to the field of air charter, TNT, has taken a different approach which Tattersall's Club members will appreciate.

When the TNT Air Charter division was set up, its director, John Chesher determined that it would offer a complete service in transportation. What is so new and unique about another air charterer? To start with, they don't operate any aircraft!

Mr Chesher maintains there are plenty of good aircraft available already. The difficulty is choosing the right one for the job and then selecting the air charter operator who has the best example of that type and operates it properly.

During the recent pilots' dispute that effectively grounded domestic airlines Australia wide, air charter companies were able to fill the gap and provide all sorts of aircraft enabling business men and executives to continue uninterrupted. But it is not just businessmen who benefit from charter services — sportsmen, jockeys and trainers included, are discovering they can make the best use of their time and resources through charter flights.

Wayne Harris rode four winners one day not long ago. That doesn't seem unusual until you realise two were at Warwick Farm and

two were at Newcastle! An aircraft Charter made it possible.

It is surprising to discover just how inexpensive charter can be for a couple of people or a whole group. Seven to nine people can go off to Canberra for the day for as little as \$700. That is cheaper than scheduled airlines.

Have you ever made the drive to the Wee Ann picnics? Five people can fly there from Sydney in less than two hours for about \$100 each, and let someone else do the driving. That's round-trip cost by the way.

Because TNT Air Charter are not the aircraft operators, they can view your requirement objectively, select the right equipment and make all the arrangements for you quickly. With one call you get all the answers. They also handle things for you on arrival, car rental, accommodation, from 5-star hotel to country pub, or any other requirements are taken care of with a minimum of fuss to you. They have even arranged baby sitters!

The personnel at TNT are professionals with years of flying experience.

There is a new horizon out there for you. Man used to be limited by how far he could walk, then how far he could ride. Today, with men on the moon you are really only limited by what you think you can do. If you can envision it, it can probably be done.

Charter a light plane to the picnics or perhaps a Boeing 747 to Machu Pichu for you and a couple of friends.

For COMFORTABLE, Timely transportation to country and interstate Race Meetings . . . or any travel requirement.

WINING, DINING AND CLUB NEWS

Member Thomas Dein thought of the ideal place to celebrate the birthday of wife Vera and the forthcoming marriage of their daughter Diane to George Breziny. His father, mother and brother with a friend were also present to enjoy the festive evening.

There was a very happy group in the dining room on a recent evening. Mr and Mrs Jack Shaffran entertained Mr and Mrs Hobelsberger and daughter Beatie, who is returning to Munich, Germany for a few years.

Mr John Byron and wife Norma with daughter Jane entertained prominent member of the Christchurch, NZ community group who were over here on holidays. The Dinner Dance is ideal for such entertainment.

John and Shirley Roche were in the Club to celebrate Shirley's mother's (Mrs Lillian Roche) birthday. Also present sister Margaret and brother Tom. It's an ideal place to spend a happy evening celebrating at Tattersall's.

Dr Brian Carroll arranged a bon voyage dinner to wife Patricia who is off to Edmonton, Canada to be present at the birth of a grandchild to daughter Margaret Kenny. The party of twelve included Barry Ryan and wife Shirley, Brian Hill and Marie, Neville and Mary Bargwanna.

Tom Clune and Joy Clune arranged a family dinner for Father's Day. Included in the party were Judith Nicholson and Chris Nicholson, Tom Jnr with Suzanne Clune and Phillip Lynch. They came to the Club after seeing the movie Phar Lap.

Fathers Day was back in September but it was such a happy gathering we just had to record it. Ed.

Mr and Mrs Ted Trollope entertained son Kerry, daughter-in-law Beryl, grand daughter Sarah, Prudence, and a dear friend of the family, Helen Beveridge. It was the occasion of the happy birthday of Beryl and Helen.

Albert and Marie Bridge, great supporters of Tattersall's, celebrated their wedding anniversary. It was also son John's birthday. In the party were brother Peter with wife Loren and Ricky Cowdroy. Mr and Mrs Bridge recalled their daughter Sue's marriage to Mr Steve Hook in January and the excellent service the Club provided in the Club Room for their reception.

Well respected that very happy character Ken Roberts recently enjoyed a holiday. This talented journalist enjoys his work with Rothmans. He is affectionately known as "the Greyhound". Member and workmate Jocular Bill Kelleher tagged Ken with that nickname.

Member Clive Edwards and wife Margaret were joined by Lynne Redknap, Barbara Jeffries, Margaret Booth and Lou Bradford to celebrate the birthdays of Mrs Betty Redknap and Mr George Jeffries. Clive as usual was in a very happy mood. All present thoroughly enjoyed the whole evening.

Miss M.H. Darby, the principal nurse of Christchurch Hospital, was elected president of the New Zealand Principal Nurses Association. It is the first time a Christchurch president has been elected in the association's 20 year history. Member Kel Bailie entertained Barbara and Barry Moore in party with Miss Darby. It rated as a very enjoyable evening at Tattersall's.

Mr and Mrs John Kitching entertained their daughter Cereller Paulin and her husband Keith on the occasion of their first marriage anniversary. In the party were Keith's parents Mr and Mrs William Paulin. It was a happy return to Tattersall's as they had their wedding reception in Tattersall's Club Room. They celebrated in the dining room at the dinner dance.

Phil and Betty Schachtel hosted a happy party at dinner at Tattersall's to welcome home their son, Dr Andrew Schachtel, after five years in Britain. Included in the group were their daughter Jan and husband Robert Grimm, also club member John Harris, wife Joan and members of their family,

and old friends Kay and Sue Rees. All present agreed that the service and food were first class. The music was appreciated by all. As usual, Maitre d' Andy kept a friendly and professional eye on the proceedings.

In the Tattersall's Club dining room we found Judge William Dignam. It was a pre birthday party for the Judge — celebrating in advance with son Mark and Miss Claire Buckley from Albury with Margaret and Josephine Buckley. It was agreed it was a good idea to start early in celebrating the Judge's birthday.

Richard and Sharon Eskell, James and Edwina Birch and Virginia Collins were in party with John Stubbs at a very pleasant evening in the Club. John was the spearhead in arranging the sporting evening for men from the 3rd floor Athletic Department. Ladies played tennis and joined the men for dinner. "Oh what a merry Monday Night!" remarked one of the group.

Commercial Radio GM for Hong Kong found himself with genial member Gene Mann at Tattersall's Club. It was a happy lunch. Nick Demuth is down from the east and Gene as consultant for Hong Kong Commercial Radio was very pleased to entertain Nick. Gene's long association spans twenty years. Sailing notable Kevin McCann was in the party and of course the conversation steered round to Australia's great American Cup win.

Good friends gathered in a great fun evening at Tattersall's on member Kevin Locke's 25th birthday!!! Present were Mary Anne and Ray Fleming, Marie-Louise, Kevin Inn, Jacqueline and Kevin Locke. It's an ideal way to celebrate.

Michael Amy, the youngest son of Neville and Peg Amy, celebrated his 21st birthday with a family dinner party in the Club dining room on Saturday, October 22. The party included Michael's three eldest brothers, Bill (club member) and his wife Christine, John and friend Shelley Kay, and Robert (since elected to club membership). The family enjoyed the delightful dinner dance atmosphere and appreciated the great courtesy and service given by all members of the staff. Saturday night in the dining room provides an excellent venue for family dinners on that special occasion.

RACE DAY

was a
thrilling
experience

Tattersall's Club Spring Meeting was transferred to Warwick Farm.

It was a very happy day for members and guests.

Featured races including the Chelmsford Stakes was run and won.

Members are invited to attend these race meetings.

You are made an AJC member for the day.

The next Club race meeting is at Randwick on January 2, 1984. Free tickets are provided and are obtainable at the Club office.

Ski Club Year

As we go into summer Tattersall's skiers are looking back at 1983 as the season that WAS, WASN'T and WAS.

It started out with all the signs of developing into a great season and we were fortunate to have our events during early and mid-July. During the peak period of the August school holidays conditions were generally poor and the last week of August will be remembered for heavy rain rather than skiing. At this stage an early finish to the season was expected.

However, mid-September saw some heavy "dumps" of snow and over the October long weekend there was good Spring snow skiing at Perisher Valley, Charlotte's Pass and Thredbo.

The good weather throughout the winter and late snow falls attracted many people to cross country or ski touring into some of the wonderful areas beyond the crowded T-bars and machine-packed slopes. For those who haven't tried it this style of skiing offers a pleasant and easy alternative to mix with downhill skiing.

The big event which followed our Roslyn and Werruna outings was the Ski Club dinner-dance on September 16 in the Clubroom on Tattersall's first floor. Some eighty skiers and their

friends were welcomed with black velvets (a reminder of avalanche) before sitting down to a sumptuous meal prepared by chef Hubert. Appropriately Hubert is Austrian and he gave a special skier's flavour to the meal.

Guests included the Ski Club's first president Bill Rowe, chairman of Werruna Eric Baker and his wife Nancy, Roslyn member Charlie Coppa, and after a magnificent effort in getting to Sydney, Rob Wensley and his charming wife Robbie. Rob, John Grant and John Porter, all from Brisbane, were part of the 1983 Werruna week and with their wives, were ready to take off from Brisbane Airport in John Porter's aircraft, when the weather closed in and made light aircraft-flying unsafe. Determined not to miss the party, Rob and Robbie managed a stand-by fare to Sydney on a commercial flight arriving in time for dinner.

During the evening guests were welcomed by Ski Club president Peter Evans and presentations made to the skier of the week from Roslyn and Werruna. These awards were very "hotly" contested and went to Peter Magnus and Dick Small's guest, Hanno Olez. Also, a raffle in aid of Tattersall's Olympic Appeal was drawn by Sue Francis of Avalanche Ski Club. The prize was a pair of Salomon ski boots and the proceeds allowed the Ski Club to contribute \$500 towards to the appeal.

Disco dancing occupied the remainder of the night as skiers said farewell to the 1983 season and started hoping for good snow in 1984.

Special thanks go to Tattersall's staff who made the evening such a success, in particular Thomas Stefanovski and Anne Colley. The room was magnificently decorated in ski gear from Larry Adler's ski shop and skiers can show their appreciation when next they require ski equipment or clothing.

The venue at Tattersall's left nothing to be desired and perhaps other ski clubs with Tattersall's members could consider Tattersall's for their next Ski Club function.

For those who envied Hanno on the slopes it was reassuring to hear that he has great difficulty in balancing a surf ski.

During the "off" season some Tattersall's members are planning ski visits to Europe or USA and the winter Olympics in Sarajevo are an added attraction. For those staying at home and interested in the Southern Alps a recent publication — "Huts of the High Country" by Klaus Hueneker gives an excellent history of the early days and the people who helped develop the "High Country".

President Peter Evans is to be congratulated for his fine leadership in the Ski Club section of Tattersall's Club. — Ed.

1983 Maui Channel and Waikiki Swims

The Tattersall's Club Swim Team made its fourth annual trip to Hawaii in September. The purpose of the trip was to firstly enjoy themselves, secondly to compete in the Maui Channel Relay and thirdly to contest the Waikiki Beach Swim on American Labour Day. Both swims are on the World Masters calendar and Tattersall's was the only Australian team to be invited.

The Maui Channel Team comprising six men or women or even a combination of men and women, requires each individual to swim 30 minutes and if the distance of 9.3 miles is not completed in three hours, then each swimmer performs for a further ten minutes until the race is completed. It is swum between Lanai and Lahaina, an old whaling station and the capital of the then Sandwich Islands in 1863 and although as can be expected, a number of changes have occurred since that time. The town remains unhurried and enchanting. Lanai is almost uninhabited and the course is through the main shipping channel and home of the breeding whale.

Each team is escorted by its own boat and 1983 saw 31 teams competing. In previous years Tattersall's has managed 5th, 2nd and 3rd and this year finished 9th overall, but self-disqualified due to a malfunction by the "direction finder". The team comprised Arthur Carney, Ken Glover, Stuart McAllum, Jack Fitzpatrick, Margaret Carney and Max Metzker (double Olympian, Australian Champion, Moscow bronze medallist and US 1500-metre Champion 1981). In the event the race was won by Olympic B Team from San Francisco by two seconds from the Olympic A Team in a record time of two hours 48 minutes and five seconds, a truly fantastic time.

Tattersall's party, totalling 25, were accommodated on Seahorse, a catamaran plying out of Kaanapali Beach which provided a top facility for a great outing with many old friends from previous years participating both competitively and socially. It is worthwhile recording that valuable time was lost in mid channel when our

"tactician" called a lay period during which time the entire party took to the magnificent velvet-like water leaving the hapless and misguided Tatt's competitor unaccompanied who unfortunately proceeded in circles !!

On to Honolulu for the Waikiki Beach swim which commences from a little beach named Sans Souci near Diamond Head, the width of the starting area about the size of Tamarama, a mind-boggling sight with 1,170 competitors on such a small area of sand. The race starts at 9.00 am, is very well organised and follows a rectangular course up a channel from Diamond Head for about 1,000 yards, along the back for about 2,000 yards, then up a buoyed channel to Duke Kanomuko Beach, a total distance of about 2.4 miles. We and a large holiday crowd, were delighted to witness a phenomenal aquatic feat by Max Metzker who swam the distance in 49 minutes and some odd seconds, winning by 700 metres and the first "foreigner" to win the event.

Conditions on the day were reported by experienced swimmers to be between 10-20 minutes slower than recent years

SNOOKER AND BILLIARDS

Syd Lane is Honorary Life Member

The annual presentation of trophies for the billiards and snooker tournaments took place in September. Drinks were provided from 6 pm to 7 pm and then followed by a smorgasbord dinner. For the first time, the ladies were invited to be in attendance and it was obvious right from the beginning that all present were there to enjoy themselves. It seems certain that the fair sex will be included in this annual event.

Mr Peter Twigg very capably handled the duty of master of ceremonies. His first act was to invite the chairman to bestow on Syd Lane an honorary life membership in appreciation of the years of untiring effort Syd had put into the running of the tournaments. Nobody was aware that this presentation was to take place and it came as a delightful surprise to all. Syd is very well fitted for the work required for the tournaments. He was the winner of the Club Snooker Championship in 1972 and he wore his crown with dignity. His knowledge of the rules of billiards and snooker is such that almost daily he is asked for a ruling on some complicated happening. The thrill Syd experienced in accepting his life medal was magnified because he had his wife Nance and son Bruce there to share his happiness. All your mates say bravo Syd, you fully deserve being recognised in this way.

Peter's next duty was to present the winning trophy for the Billiards

Chairman Keith Moremon presents Syd Lane with his honorary life membership badge. Committeeman Peter Twigg looks on.

Championship to George Mousally. What a remarkable performance displayed by George. He only entered two events winning one and being runner-up in the other. George admits to being an octogenarian and he is going to be around for a long while yet, so you young blokes better sharpen yourselves up.

Ken McDonald was next on Peter's list for having won the Billiards Handicap with Sir Nicholas Shehadie in second place. This was a real cliff-hanger as Nick needed only two to reach 250 and Ken, in play, needed 12. Ken reached 10 unfinished which placed them both on 248. He badly needed two and the balls were in an almost

impossible position. There is an old saying that when the going gets tough, the tough get going. Well he hit out, missed the shot he played for and the ball came back off the top cushion and made the cannon. It was a pure fluke but it won him the game. Nick's ability on the green cloth has improved considerably and it will not be long before the honour board bears his name.

For winning the Billiards Handicap Ken received the Club prize and also a beautiful silver ice bucket and six silver goblets donated by George Mousally. To add to Ken's excitement, shortly before the function began his son Murray unexpectedly walked into the Club having just arrived from Perth solely for the purpose of seeing his father receive his trophy. He returned to Perth on the first flight out next morning.

The next presentation was Nick's trophy for his second in the billiards. Surprisingly Peter asked Ken to make this award of a very fine pewter beer mug with a long inscription. A condition of Ken performing this task was that he read the inscription to the guests. In Ken's speech he had jokingly passed some most derogatory remarks about Nick and his ability, but by the time the inscription had been read it was obvious Nick had got even, in fact he finished lengths in front.

Mike Fitzgerald was the next called up by Peter to accept his trophy. Mike had won the Snooker Handicap Tournament and was congratulated by all present. He played consistently good snooker all through the heats and then

giving more credit to Max's effort which was within three minutes of the record.

Trying to find one swimmer amongst 1,170 would normally be difficult but Max went to the front after the first ten minutes and acquitted himself, his country and Tattersall's with great dignity.

Ken Glover and Arthur Carney also completed this course although in times "slightly" in excess of Max's.

The team then took a few days' break enjoying Hawaiian hospitality, cuisine and weather to the fullest. Names and places like Trappers, Hyatt, Ninos, Nicks, Marriotts, Bobby McGees, Outrigger, Liberty House, Halekulani (brand new), Royal Hawaiian, Iliki, Ala Moana, Pearl Harbour all added to our pleasures. Our thanks to Ken Glover, Tom Dyer of Continental Airlines, Tattersall's Swimming Club, the "boys in the Back Room", Frank Hurley, Norman Rogers for their assistance, generosity, friendship and support.

The Tattersall's flag flew proud and high.

SNookER AND BILLIARDS continued from page 10

had to face up to Lee Bluett in the final. Lee had previously won this tournament twice and had he been successful on this occasion he would have created a record which would have been very hard to equal. It was revealed that Mike not only is a good snooker player, he is also a very capable speech-maker with a strong sense of humour. We are certain to hear of Mike in the winner's circle again. Peter's next recipient for a trophy was Len Williams who very ably disposed of all-comers in winning the Snooker Championship. In one of the heats of this contest Ken McDonald was drawn to play against Warren Foster who, would rank as one of the top ten amateurs in the Commonwealth and he has to his credit a break of 125. Early in the first frame the scores stood at Warren 39 and Ken 4. Ken improved to where he could win with the last two balls but it wasn't to be. The next two frames were won by Ken giving him the match. It is generally thought that the clash between Warren and Ken was one of the highlights of the tournament. All who were still left in the championship were of course glad Warren was eliminated. They were not afraid of Ken but were terrified of Warren. Getting back to Len he struck a purple patch of form at the right time and will wear the snooker crown for the next 12 months.

AT THE SECOND-OLDEST RACECOURSE IN NEW SOUTH WALES

Old Bookies never die — they just hang up their bags. Hawkesbury Racing Club paid homage to retired bookmakers and Tattersall's members Len Burke, Homer Jones, Tom Powell and Ken Ranger pictured at a special race meeting in recognition of their great service to racing. Some invitees were unable to attend due to illness. Races were named after renowned bookmakers. Tattersall's member Bob Charley (and committee member of Hawkesbury Racing Club) was to the fore in making their day one to remember.

From when the function began to when it finished almost everybody wanted to know "where was Tom Powell?" You were sadly missed Tom and we sincerely hope you will be fit and well for the next celebration. Tom has been a great supporter of the billiard and snooker activities and it is now many years since he began donating each year the beautiful canteen of cutlery which goes to the winner of the Snooker Handicap. Another absentee from the celebrations was Doug Jordan. Doug was badly hurt in a car accident in Queensland some three to four months ago and still has not recovered sufficiently to visit the Club. The thoughts of all on the second floor are with you Doug and all are anxious to see you in the environment you enjoy and playing the game at which you are so proficient.

Prior to the night of celebrations, several articles were presented which were to be raffled during the evening. Three of the most outstanding were a beautiful tablecloth with 10 napkins imported from Spain, donated by Tom Powell. An Orotan ladies' handbag in soft tan leather donated by Syd Lane and a prize of \$100 donated by George Mousally. There were plenty more ranging from crystal decanters full of the bare necessities of life to champagnes, etc. etc. As each player came up to receive his trophy from Peter he was asked to draw one of the raffles. Firstly the door prize was won by Mrs Twigg who also won the Tom Powell gift.

Bruce Cox had the good fortune to win three of the raffles. Bruce deserved this stroke of luck because next year there is to be a trophy for best and fairest and if this innovation had come in this year Bruce would have won it easily. Good luck for next year Bruce!

This article would not be complete without saying a big thank you to two

great sportsmen who never cease to create interest in the tournaments. They are Tom Powell and George Mousally who provide trophies which are a delight to take home.

Since last year George has provided the Club with an honour board on which is inscribed the names of each of the four tournament winners. Your chairman and committee has paid Ken McDonald a flattering compliment by going back to 1969 to start the records because in that year he was successful in winning three of the four events. This has only been done by one other person, I refer to the donor himself George Mousally. Incidentally the board is a beautiful piece of furniture and all the future contestants will be trying their hearts out to get their names recorded.

The chairman and members of the sub-committee take this opportunity to wish all players and supporters a Merry Christmas and good potting in 1984.

LUNCH-TIME 3rd FLOOR TREAT

Tattersall's swimmers certainly enjoy lunch-time racing on the third floor.

As soon as the 1983 championships were completed plans were made for five-lap (100 yards) handicaps to commence the following Thursday and to be held every Thursday until the start of the 1983-84 season.

The donors of the five-lap event are Jack Levy and Norman Rogers.

Racing commenced on June 30 and finished on September 22 (13 weeks) and a few statistics of the competition were:—

Thirty-eight swimmers started at least once. There were 62 heats (usually five each day). Fastest time 58.7 seconds (Mike McCormack).

Peter McEwen had a bit of bad luck at his only start. Swimming off a luxurious handicap and with the heat at his mercy he dislocated his shoulder in the first lap and had to be assisted from the water for treatment. Better luck next time, Peter.

The handicapper was a bit baffled at first, but soon got the hang of things and many close finishes resulted. The best event was held on the last day with Tony King at go, John Nicholas at 1, Ken Glover at 3 and Mike McCormack at 4 lined up together. The totally-unpredictable result was:

Tony 1st, John 2nd, Ken 3rd and Mike 4th with a pocket handkerchief covering the four at the finish.

Not surprisingly, the point score for the 13 weeks was won by the only swimmer who had competed on all but one day — Ken Glover, and he had to turn up on the last day to be sure of winning.

The final placings were:—

Ken Glover 69 points, Tony King 64, John Nicholas 63½, Rick Glover 60, Gerald McCormack 58, Mike McCormack 58, John Ward 56, Stuart McAllum 53. The short season of five-lap races may be here to stay.

The highlight of the commencement of the 1983-84 swimming season was the smart time of John de Mestre (son of David) in winning a heat over the 40-yard dash in 17.9 seconds. John Nicholas took out his heat final clocking 21.3 whilst Terry Forrest coasted to a comfortable victory.

Newcomer Ken Hoad has already made his presence felt by a couple of smart dashes to date.

Relating to the five-lap event held during the off-season, one must pay a hearty vote of thanks to hard-working Alan Ball and Col Bowes for the splendid and harmonious manner in which they carried out their duties.

— Sam Block

HANDBALL

... it's the same old story

Tattersall's famous handball courts have not been the scene of great activity as far as the annual championships are concerned.

Apart from early rounds in Tattersall's Plate and the NSW State Doubles Championships serious play appears to be forgotten.

The "A", "B" and "C" grade championships may not be concluded in time for nominations in the Sportsman of the Year Award.

The keenest players are in the lower grades with the court shyness syndrome most prevalent in the A grades.

It is a strange phenomenon considering the great interest always evident in Tattersall's Plate, quite obviously the states No. 1 handball singles event.

Norman Rogers first promoted this event in 1972 and has supported it since. Norman's son Ron won the first three Plates and Neil Rogers was narrowly beaten in the 1982 final and is a finalist this year.

Michael O'Dea introduced the State Doubles title in 1973. Gary Stubbs, of Clovelly Club, has dominated this event but Neil Rogers has won the title on four occasions. Neil and brother Ron teamed to win in three consecutive years and then won with Alex Hillston of Tattersall's Club.

This years final will be contested by Ron and Neil Rogers opposed to Gary Stubbs and Ray Hopkins of Tattersall's.

Golf Action

Tattersall's Golf Club recently played at the Australian Club. A maximum of 40 starters were allowed to play. It was a thrill for 4-ball winners, Lew Pidcock and Chris Meagher with 45 points from Graham Smith and Peter Smith. A good score on this demanding course.

It was a Tattersall's members only day. Visitors were not permitted. Best individual score was won by Rod Walls 37 from Max Faigan 36. The nearest to pin winner was Rod Walls with a really top shot.

At the Lakes meeting which was played in September in inclement weather, the winners of the 4-ball were Lou Pidcock and Chris Meagher scoring 47, beating Tom Hartigan and Bob Pfafflan 45 and Syd Thomson and Ken Murden 45.

Members singles, Syd Thomson scored a magnificent 40 points beating John Barras 37.

The visitors singles was won by Bob Penny 37 from Ken Murden 36.

The Lakes is in good order and provided a good test in golf. Rod Fisher could have used a snorkel as he joined many competitors in "catching the water".

Pymble was cancelled due to insufficient bookings, however, it appeared many were intending to play who did not book, so we can see how important it is to phone bookings in for each game. It was staged at a very inopportune time — a day after the long weekend. Your committee is endeavouring to transfer the 1984 date.

See you at the Championship and Christmas game at Manly on December 15.

NEW MEMBERS WELCOMED . . .

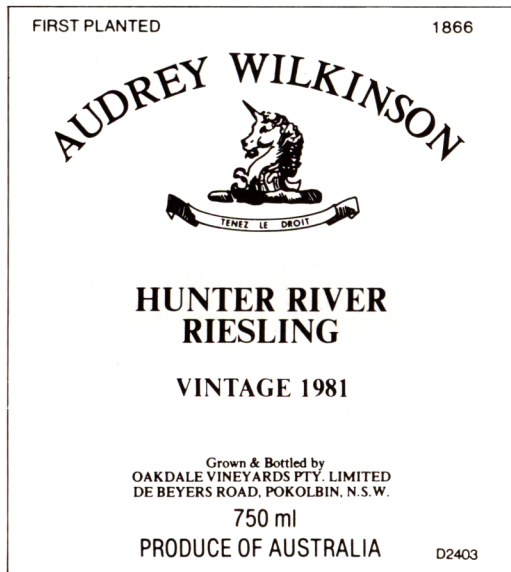

The chairman Keith Moremon welcomed a broad spectrum of business and professional men to Tattersall's Club. The beautiful Club Room was the scene. It was a fitting place for Keith to outline the wonderful advantages of Tattersall's Club membership. Great facilities, splendid amenities and interests for everyone. He pointed out the various sections and sporting clubs within Tattersall's.

To new members I say remember our motto — "HONOR ET AMICITIA" — honour and friendship — you'll find it in every corner of our great Club. — Editor.

POPULAR PHIL MATTS APPLAUDS STEWARDS AND ADMINISTRATORS

Phil is a Tattersall's bookmaker member and wears a smile on most occasions — win or lose. He is well experienced in his profession. His 30 years at "his trade" shows him as a credit to his calling. For nine years he has held rails stand at major courses, fielding also at provincials, horses, greyhounds and trots, too. "There's nothing wrong with racing — the stewards and administrators are performing better than ever", said Phil. "Steward control cannot be bettered under AJC chief officer, John Schreck." He went on to say "I would not like to see a racing board formed — it would be hard to gather a more efficient body — and certainly more costly for everyone". Phil is a great clubman and recently he generously supported Tattersall's Olympic Game Team's Appeal to the tune of over \$2,000. I asked him did he have preference for courses. "Not really Os, they all have their own individuality." Sons Peter and Kevin work with dad at the races. The Matts recently moved down from the mountains to Castle Hill. "Much nearer the action", he said. His charming wife Laurel with hostess daughter Jennifer (who flies with her Qantas husband) complete this happy family. — Os Bates.
